

NOTICE OF INTENTION
TOWN OF GILBERT, ARIZONA

Project Name: SOUTH RECHARGE SITE PHASE II
Project Number: WW0770
GILBERT Staff Contact: Jason Montgomery, jason.montgomery@gilbertaz.gov

The Town of Gilbert is proposing to construct Project WW0770 – South Recharge Phase II. The project consists of earth moving, distribution structure improvements, canal construction, and miscellaneous SCADA and instrumentation/controls improvements to expand the existing South Recharge Site to its design capacity. Town of Gilbert will contract with the Arizona Army National Guard to partially prepare the site, primarily in site clearing and earth-moving operations. This consists of earthwork grading and leveling of the property, per the design plans. If there are any contractors or individuals that oppose the National Guard providing this service, contact Jason Montgomery, PE, Town of Gilbert Senior Project Manager at (480) 266-8153, Monday through Thursday between 7AM to 6PM (MST –Arizona) by April 30, 2020.
